Consumer Account Agreement

Thank you for choosing MutualOne Bank to serve your banking needs. Before you start enjoying the convenience of banking with us, there are a few things we'd like you to know as outlined in this Consumer Account Agreement ("Agreement").

This agreement sets forth the terms, rules, and regulations under which we will provide deposit services to you. When you sign your account opening documents or initiate a transaction, you are agreeing to the terms and conditions outlined in this Agreement. If there is any conflict between the Agreement and the law, the Agreement will be changed to the extent required by the law.

An important part of this Agreement is the Accounts & Fees Brochure, which was provided at account opening. Please note that if any of the fees or terms in the Agreement change and affect you adversely, we will provide written notice to you as required by law. You agree to pay all charges that you have incurred and hereby authorize us to charge your deposit account(s) with the aggregate outstanding amount of such charges from time to time.

When reviewing this Agreement, please note the words "you" and "your" refer to the consumer(s) who maintain(s) a deposit account with the Bank and/or their personal representatives. The words "the Bank", "we", "our", and "us" refer to MutualOne Bank. All terms are effective as of the date of this Agreement and may be amended from time to time.

1. Deposit Protection

Deposits at MutualOne Bank are insured in full by a combination of the Federal Deposit Insurance Corporation (FDIC) and the Share Insurance Fund of Massachusetts (SIF). To learn more, ask us for a copy of insurance guidelines or visit www.fdic.gov or www.coopcentralbank.com for additional information.

2. Taxpayer Information

The primary account signer on a consumer account is required to certify the signer's Taxpayer Identification Number (TIN), and certify that the signer is not subject to backup withholding of federal income taxes.

3. Account Opening

Your deposit account will be considered open once we have received and approved all required account opening documentation, assigned you an account number, and received your initial deposit. **Interest begins to accrue on the day of your deposit.** We may, at our discretion, require additional signatures or other verification documentation during your account relationship with us, if the circumstances warrant.

4. Account Ownership/Joint Accounts

You have the flexibility to open accounts in one or more individuals' names. If you choose to open an account with more than one person, your account will be treated as a joint account with right of survivorship. We will ask each joint owner to provide identification.

Please note the following additional information about joint accounts:

- Unless you tell us differently, the TIN under which the account will be held for IRS reporting purposes is that of the first listed owner.
- If you have a joint account, you and your fellow joint account holders may exercise any and all rights hereunder individually and shall be jointly and severally liable for the obligations incurred under this Agreement and will be bound by this Agreement. Each person named on the account may use any deposit account service, including electronic funds transfer services, and may close the account. In any such event, such action shall be binding upon all account holders.

5. Special Accounts

MutualOne Bank also offers other accounts depending on your needs. These accounts include:

"Totten Trust" ("In Trust For") Accounts

A Totten Trust is a trust account not governed by a written trust that belongs to the trustee depositor(s) until the death of the last surviving trustee, at which time the funds pass to the named beneficiary for whom the funds were held. For IRS reporting purposes, the TIN shall be that of one of the listed trustee depositor(s).

Uniform Transfers to Minors Act (UTMA) Accounts

An UTMA account is an account used to make an irrevocable gift of funds to a minor under UTMA, and is opened by the adult making the gift under the TIN of the minor. The adult is the custodian of the account, is the only person who may transact business on the account, and is obligated to use the funds for the sole benefit of the minor. The custodian is required to transfer the funds to the minor when the minor attains age 21. We are not liable to the minor or anyone representing the minor for the conduct of the custodian with regard to the account.

6. Credit Reference

You agree that the Bank may, from time to time, obtain credit and other reference information, as we deem necessary from a check protection service, a credit reporting agency, or a similar service provider.

7. Deposits

We will do our best to ensure your deposits are processed efficiently. However, all checks and other items of every kind and nature, deposited into your account are received and credited to your account subject to final collection. In accepting items for deposit or collections, the Bank makes no warranty as to the collectability of the items. The availability of funds deposited will be in accordance with our Funds Availability Policy. If a deposited item of any kind is returned unpaid for any reason at any time, we may charge the item back to your account or require a refund from you, plus any applicable fees. Or, we may redeposit the item, in which case you waive the right to notice of dishonor.

Checks drawn on accounts outside the U.S. will be accepted for deposit on a collection basis only, and may be credited to your account subject to future collection, or not credited to your account until collection, at our discretion. Such credit will not affect our right of charge back if the item is returned. Your deposit of a foreign item may be subject to adjustment based on the applicable exchange rate and bank fees for the collection of foreign items.

Funds deposited through ACH or other electronic means are provisional and subject to applicable ACH rules allowing reversal of a deposit or adjustment by the originator.

To the extent not prohibited by the law, any person who deposits a substitute check agrees that he or she is making all the warranties and providing the same indemnities that we would have to make or provide as a consequence as accepting that check for deposit, including but not limited to the warranty that the check meets all the requirements for a substitute check.

Consumers making deposits through our night depository agree that deposits recorded using our standard procedures for night deposits shall determine with finality the amount of such deposits.

8. Withdrawals

To make a withdrawal, you must use properly completed checks, drafts, or other withdrawal forms or methods supplied or approved by the Bank. Please note that we may pay items presented for payment in any order we select. We may also refuse a request for a withdrawal if any document or identification required by law or the Bank in connection with the withdrawal has not been presented to us.

9. Cash Withdrawals

Cash withdrawals can be made at any branch location or by using your MutualOne Bank ATM Card or Debit Card. Withdrawals made at non-MutualOne Bank ATMs may be subject to surcharges. Please refer to the Accounts and Fees Brochure for more information.

Bank policy requires that withdrawals from passbook savings accounts and passbook certificates of deposit be permitted only with the presentation of the passbook. Under applicable law, we reserve the right to require seven days' advance written notice from you before making withdrawals from your savings deposit account. We also reserve the right to process transactions at the request of any joint account holder of a passbook account, regardless of any language contained in a passbook to the contrary. To the extent that there may be a conflict between this Agreement and the terms of a passbook, the terms of this Agreement shall govern.

10. Telephone Banking Transfers

If you have a telephone transfer agreement with us, accountholders who are entitled to withdraw funds from your accounts may authorize a transfer from your account(s) via telephone at 1-888-415-9901. Telephone transfers from a Statement savings account to another eligible account or to a third party are not permitted if they would exceed six such transfers per month (less other transfers limited by the terms of regulation D of the Consumer Financial Protection Bureau).

11. Payment of Items

If an item is presented without sufficient funds in your account to pay it, we may, at our discretion, pay the item (creating an overdraft) or return the item (NSF) and you should deposit funds sufficient to cover your overdrafts and our fees immediately or on demand. The amounts of the overdraft and the NSF fees are disclosed on the schedule of fees. We encourage you to maintain careful records and practice good account management. This will help you avoid writing checks or drafts without having sufficient funds and incurring fees as a result.

12. Lost/Stolen Checks or Cards

You agree to report the loss or theft of any blank checks or you ATM card or Debit card to the bank immediately.

13. Limits on Transactions Involving Deposit Accounts

Money Market and Statement Savings Accounts

If your account is a Money Market account or a Statement Savings account, during each monthly statement period, you are limited to making no more than six transfers to another account with us or to a third party, by means of online banking transfers, preauthorized or automatic transfer, ATM/Debit card POS transactions, telephonic agreement order or instruction, or by check, draft or similar order made by you and payable to third parties. Transactions that are processed beyond six in a statement period will incur a fee \$10.00. At our discretion, the bank may reclassify the account to a transaction account or take other appropriate action, including the closing of the account, for violating the six transaction limit.

Passbook Savings Accounts

ATM, debit card, telephone banking, Online Banking, and ACH debit transactions are not permitted from a Passbook Savings Account.

14. Pledging Your Account as Collateral

If you wish to pledge your account as collateral for a loan with us, you must execute a collateral loan note with the Bank.

15. Notices and Statements

MutualOne Bank is committed to keeping you informed about your account. Please note the following information about account statements and notices from us:

- All notices and statements will be sent to the last mailing address provided by you in our records. Any notice mailed to you at that address will be presumed to have been received by you and will be binding on you for all purposes.
- If you change your address, you must promptly notify us in writing.
- If notices or statements are returned to us undelivered, we may destroy them and discontinue further mailings until you notify us in writing of your new mailing address.

16. Examining Your Statement

To ensure your account information is accurate, we ask that you promptly review your account statements. In the event that you discover the existence of unauthorized signatures, alterations, or other transactions or charges, you must notify us within 30 days of receipt of the statement. Your failure to do so may result in your having to bear some or all of the loss with respect to the items contained in the statement.

17. Inactive and Abandoned Accounts

State law in various states often requires that any account held by a resident of that state that remains inactive for a specified period of time of years is to be considered abandoned property, and must be turned over to the official of that state responsible for abandoned property. In the Commonwealth of Massachusetts, the period is 3 years and the official that handles abandoned property is the office of the Massachusetts State Treasurer. If inactivity on your account approaches this time period, we will attempt to notify you in writing as required by law at least 60 days prior to remitting the funds in the account to the State. If your funds are turned over to the State as abandoned property, we no longer have any liability or responsibility with respect to the funds and you may be able to reclaim them by contacting the state official responsible for abandoned property matters.

18. Fees and Charges

Our Schedule of Fees, which is part of this Agreement, will be provided to you at account opening and is available at our branches. You may request a copy at any time in person or by phoning the Bank. Please note that fees and service charges are subject to change.

19. Endorsements

Because improper endorsements may result in a charge back of a check or delay in processing, it is important that you endorse checks correctly. All checks you cash or deposit into your account must be endorsed in the first 1.5 inches of the trailing edge of the back of the check. You may identify the "trailing edge" of a check by viewing the check from the front. The trailing edge is the left edge of the check. Your endorsement must contain your signature.

20. Stale and Postdated Checks

MutualOne Bank has the right, in our sole discretion, to pay or dishonor a check, other than a treasurer's or other official bank check that appears to have been properly issued, presented for payment more than 6 months after its date. In addition, please note that you may not date a check with a date later than the day on which the check is written. If you do, and the check is presented for payment, then we may pay it at any time regardless of its date.

21. Closing of Accounts

For our protection, MutualOne Bank may close an account or refuse to do business with any customer at any time. Similarly, you may close your account at any time. Please note, however, that if you close a Certificate of Deposit or other type of term deposit prior to its maturity date, you may be subject to a Bank imposed early withdrawal penalty. The closing of your account by you or the Bank is subject to payment of all outstanding items and fees and charges.

22. Lost or Stolen Passbooks

If your passbook is lost or stolen, we will close your account and provide the funds in the account to any joint account holder, or establish a new account for you, upon receipt of: (a) an affidavit of lost passbook signed by all of the owners of record in the presence of a Bank employee (or signatures must be notarized) and completed account opening documents (if a new account is to be established), (b) presentation of identification satisfactory to the Bank, (c) payment of a replacement fee, if applicable, and (d) payment of any bond or other form of indemnification, if required by the Bank.

23. Individual Retirement Accounts (IRAs)

This Agreement does not apply to IRA accounts. Please contact our IRA Department for more information on restrictions and requirements applicable to IRAs.

24. Funds Availability Inquiries

If you have written a check to another party, we may, at our discretion, inform the inquiring party as to whether a check in that amount cleared at that time.

25. Stopping Payment of Checks

If you wish to do so, you may request a stop payment order on a check or draft drawn on your checking account that has not already been paid. Please allow us reasonable time to act on your request after we receive it.

Also, please note the following about placing a stop payment request:

- Your request to stop payment on a check or a draft may be placed by telephone, in person, or within your online banking.
- In the case of a telephone request, you must provide us with written confirmation within 14 days of the request or the stop payment order will be released.
- Once we receive your confirmation, the stop payment will remain in effect for 6 months from the date of the request, and may be extended upon renewal of the order and payment of any applicable fee.
- We will confirm your stop payment request in writing. You must notify us within 14 days of your request that the information on the confirmation is incorrect, or we will continue to honor your request as confirmed for 6 months from the date of your request, after which you may renew it by notice to us. Your stop payment request must be accurate and contain the exact amount, date, check number, and payee name. We are not responsible if the information you gave us is incorrect or if you fail to give any other information required identifying the check or draft with reasonable certainty and the stop payment cannot be completed.
- To stop a payment you have previously authorized through the Online Banking bill pay service, please log into your online banking.
- In general, a stop payment request will not be effective against a Treasurer's Check or other form of official Bank check, except in circumstances involving a check that is lost, stolen, or destroyed. In that case, the request will be honored only after 30 days from the date of issuance of the check and then only after the Bank is in receipt of any documentation that the Bank requires from you in order to carry out your request. Any stop payment order accepted that is inconsistent with this requirement may not be honored.

26. Electronic Check Conversion

Thanks to advances in technology, more and more checks are being paid electronically. The payment of a check or draft electronically is an electronic funds transfer. Here are some instances where your check will result in an electronic funds transfer:

- You purchase goods or services and authorize the merchant or service provider to convert your check to an electronic funds transfer simply by accepting the goods or services for purchase. This authorization may be implied by a posted sign at the merchant's establishment, for example, or a written notice that is placed on your monthly bill from the merchant.
- At the time you authorize a merchant or service provider to convert your check to an electronic funds transfer, you may also be asked to authorize the merchant or service provider to electronically collect a charge in the event the check is returned for insufficient funds.

If you have a dispute relating to the authority of a payee on a check to generate an electronic funds transfer from your checking account instead of presenting the check in the normal course, then you should address the matter with the payee, since the Bank does not have the discretion to deny electronic payments in the normal course of business.

27. Right of Set-Off

If you have any debts due to us or amounts you owe us, then the Bank reserves the right of set-off, or to use funds in your deposit account to pay any debts or amounts you owe us, even if withdrawal results in an interest penalty or dishonor of subsequent checks. For joint accounts, we may exercise our rights against the entire balance to pay the individual debts of any one owner of the account. You and your joint account owners agree that the Bank may use the funds in your individual or joint accounts to satisfy obligations of the joint account. Any garnishment or other levy against your account(s) is subject to the Bank's right to set-off and any security interest that Bank may have. To the extent not prohibited by the law, the Bank may exercise its right of set-off against any deposit regardless of its source, including deposits of social security, disability or other governmental benefits normally protected from creditors' claims, and you expressly acknowledge and agree that such set-off is permissible and to waive your rights to such protections.

28. Expense Reimbursement

If you fail to pay any amount owed to us, then you will be liable to pay any expenses reasonably incurred by the Bank, including attorney's fees, in seeking payment of the amount owed.

You also agree to be liable to the Bank for any loss, costs, or expenses, including, without limitation, administrative costs of responding to an attachment, garnishment or other levy, and reasonable attorney's fees. This involves any fees that the Bank incurs as a result of any dispute involving your account, that causes the Bank, in good faith, to seek legal counsel. In addition, you authorize us to deduct any such loss, costs, or expenses from your account without

notifying you. This obligation applies to disputes between you and the Bank involving your account and situations where the Bank becomes involved in disputes between you and an authorized signer, another joint owner, or a third party claiming an interest in the account.

29. Evidence of Transactions

If we institute legal action against you in connection with your account, we may introduce into evidence a copy, microfilm, or microfiche of any document evidencing a transaction under this Agreement and such copy, microfilm, or microfiche shall be deemed as valid as the original document.

30. Choice of Law and Choice of Venue

This Agreement, as well as the parties' rights and obligations hereunder, shall be in all respects interpreted, enforced, and governed by and under the laws of the United States and the Commonwealth of Massachusetts. Any lawsuit between the Bank and you, arising under this Agreement or otherwise, shall be brought in a court located within the Commonwealth of Massachusetts.

31. Notices

Any notice sent by us shall be effective when mailed to you, unless otherwise noted, at your last address on record with us. To the extent allowed by law, notices from you to us must be in writing and shall be effective when received by us, unless otherwise noted.

32. Waiver of Rights by the Bank

We reserve the right to waive the enforcement of any of the terms of this Agreement with you with respect to any transaction or series of transactions. Any such waiver will not affect our right to enforce any of our rights with respect to other customers, or to enforce any of our rights with respect to future transactions with you. Please note that any waiver is not sufficient to modify the terms and conditions of this or any other agreement.

33. Amendment

We reserve the right to modify or amend this Agreement at any time, and we will notify you prior to any such changes that would adversely affect your account, as required by law. Any waiver of an Agreement term, or customer accommodation that is inconsistent with the terms of this Agreement, shall be deemed an amendment to this Agreement, and the terms of this Agreement shall remain in full force and effect.

34. Important Information-USA Patriot Act

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

Here is what this means to you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your drivers' license or other identifying documents.

35. ACH and Wire Transfers

This agreement is subject to Article 4A of the Uniform Commercial Code – Fund Transfers as adopted in the state in which you have your account with us. If you originate a fund transfer for which Fedwire is used, and you identify by name and number a beneficiary financial institution, an intermediary financial institution or beneficiary, we and every receiving or beneficiary financial institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person or account other than the one named. You agree to be bound by automated clearing house association rules. These rules provide, among other things, that payments made to you, or originated by you, are provisional until final settlement is made through a Federal Reserve Bank or payment is otherwise made as provided in Article 4A-403(a) of the Uniform Commercial Code. If we do not receive such, we are entitled to a refund from you in the amount credited to your account and the party originating such payment will not be considered to have paid the amount so credited. If we receive a credit to an account you have with us by wire or ACH, we are not required to give you any notice of the payment order or credit.

Consumer Funds Availability

I. Your Ability to Withdraw Funds

Typically, our policy is to make funds from your deposits available immediately. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit on a day we are not open, we will consider that the deposit was made on the next business day we are open.

II. Longer Delays May Apply-Case by Case Delays

In some cases, we will not make all of the funds that you deposit by check immediately available to you. Depending on the type of check that you deposit, funds may not be available until the 2nd business day after the day of your deposit. However, the first \$200 of your deposits will be immediately available. If we are not going to make all of the funds from your deposit immediately available we will notify you at the time you make your deposit. We will also tell you when your funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you need the funds right away, you should ask us when the funds will be available.

III. Exception Delays for Certain Specified Reasons

In addition, funds you deposit by check may be delayed for a longer period under the following circumstance:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last 6 months.
- There is an emergency, such as failure of computer or communications equipments.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the 5th business day after the day of your deposit.

IV. Special Rules for New Accounts

If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers and the first \$5,000 of a days total deposits of cashier's, certified, teller's, traveler's and federal, state and local government, Federal Home Loan bank checks and U.S. Postal Money Orders may be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the 5th business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury Check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the 5th business day after the day of your deposit.

V. Deposits Made at Automated Teller Machines

If you are depositing funds (cash or checks) at an automated teller machine (ATM), the funds from your deposit will typically be made available on the following business day. All deposits are subject to review. Please refer to section II, III and IV if applicable.

18/65 Fee Exemption

Massachusetts law requires a bank make available to a natural person 18 years of age or under or 65 years of age or older a checking account and savings account which, in each instance, shall include a joint account in which the spouse of the eligible depositor, regardless of age, is the joint tenant therein or the joint tenant would otherwise be an eligible depositor, and which has been established and used for personal, family or household purposes, upon which no service, maintenance or other similar charge shall be imposed. Any such account shall not be subject to: (i) a minimum balance requirement, (ii) a charge for a check, deposit or withdrawal, or (iii) a fee for the initial order or subsequent refills of the basic line of checks offered by the bank, which shall include the name of the depositor.

A bank may, however, assess a fee for certain services in accordance with the bank's published service charge schedule which shall include stop payment orders, wire transfers, certified or bank checks, money orders, and deposit items returned, transactions at electronic branches and through other electronic devices, and services not directly associated with the deposit, withdrawal or transfer of funds from any such account. The Bank may also assess a reasonable fee, as determined by the Division of Banks ("Division"), against any such account of any such persons when payment has been refused because of insufficient funds or paid despite insufficient funds on any check or other action drawn on such account, as set forth in the law. The Division has determined that, for any account covered by the law, the charge to be assessed for a transaction refused because of insufficient funds or paid despite insufficient funds shall not exceed \$5 per such transaction.

Bill Payment Service Terms

The Bill Payment Service Terms (hereinafter "Agreement") is a contract between you and MutualOne Bank (hereinafter "we" or "us") in connection with the services described herein, offered through our online banking site or mobile applications (the "site.")

1. **Description of Service.** The term "Bill Payment Terms" means these Bill Payment Service Additional Terms. The bill payment service (for purposes of these Bill Payment Terms, the "Service") enables you to receive, view, and pay bills from the Site.
2. **Payment Scheduling.** The earliest possible Scheduled Payment Date for each Biller will be designated within the portion of the Site through which the Service is offered when you are scheduling the payment. Therefore, the Service will not permit you to select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Biller. When scheduling payments you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement unless the Due Date falls on a non-Business Day. If the actual Due

Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late date or grace period. Depending on the method of payment, your Eligible Transaction Account may be debited prior to the Scheduled Payment Date. For example, if the selected method of payment is a draft, the draft arrives earlier than the Scheduled Payment Date due to expedited delivery by the postal service, and the Biller immediately deposits the draft, your Eligible Transaction Account may be debited earlier than the Scheduled Payment Date.

3. The Service Guarantee. Due to circumstances beyond the control of the Service, particularly delays in handling and posting payments by Billers or financial institutions, some transactions may take longer to be credited to your account. The Service will bear responsibility for any late payment related charges up to \$50.00 should a payment post after its Due Date as long as the payment was scheduled in accordance with the Section 2 of the Bill Payment Terms (Payment Scheduling).

4. Payment Authorization and Payment Remittance. By providing the Service with names and account information of Billers to whom you wish to direct payments, you authorize the Service to follow the Payment Instructions that it receives through the Site. In order to process payments more efficiently and effectively, the Service may edit or alter payment data or data formats in accordance with Biller directives.

When the Service receives a Payment Instruction, you authorize the Service to debit your Eligible Transaction Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize the Service to credit your Eligible Transaction Account for payments returned to the Service by the United States Postal Service or Biller, or payments remitted to you on behalf of another authorized user of the Service.

The Service will attempt to make all your payments properly. However, the Service shall incur no liability and any Service Guarantee (as described in Section 3 of the Bill Payment Terms) shall be void if the Service is unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of the Service, your Eligible Transaction Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
2. The payment processing center is not working properly and you know or have been advised by the Service about the malfunction before you execute the transaction;
3. You have not provided the Service with the correct Eligible Transaction Account information, or the correct name, address, phone number, or account information for the Biller; and/or,
4. Circumstances beyond control of the Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Service has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from your Eligible Transaction Account or causes funds from your Eligible Transaction Account to be directed to a Biller which does not comply with your Payment Instructions, the Service shall be responsible for returning the improperly transferred funds to your Eligible Transaction Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges.

5. Payment Cancellation Requests. You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the portion of the Site through which the Service is offered. There is no charge for canceling or editing a Scheduled Payment. Once the Service has begun processing a payment it cannot be cancelled or edited, therefore a stop payment request must be submitted.

6. Stop Payment Requests. The Service's ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. The Service may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any payment that has already been processed, you must contact customer care for the Service. Although the Service will attempt to accommodate your request, the Service will have no liability for failing to do so. The Service may also require you to present your request in writing within fourteen (14) days. The charge for each stop payment request will be the current charge for such service as set out in the applicable fee schedule.

7. Exception Payments Requests. Exception Payments may be scheduled through the Service, however Exception Payments are discouraged and must be scheduled at your own risk. Except as required by applicable law, in no event shall the Service be liable for any claims or damages resulting from your scheduling of Exception Payments. The Service Guarantee (as described in Section 3 of the Bill Payment Terms) does not apply to Exception Payments.

8. Bill Delivery and Presentment. The Service includes a feature that electronically presents you with electronic bills from select Billers. Electronic bills may not be available from all of your Billers. Electronic bills are provided as a convenience only, and you remain solely responsible for contacting your Billers directly if you do not receive their statements. In addition, if you elect to activate one of the Service's electronic bill options, you also agree to the following:

1. **Presentation of electronic bills.** You will receive electronic bills from a Biller only if both: (a) you have designated it in the Service as one of your Billers, and (b) the Biller has arranged with our Service Provider to deliver electronic bills. The Service may then present you with electronic bills from that Biller if either: (1) you affirmatively elect online within the Service to receive electronic bills from the Biller, or (2) the Biller chooses to send you electronic bills on a temporary "trial basis." In either case, you can elect online within the Service to stop receiving electronic bills from a Biller. Electing to receive electronic bills, automatically receiving trial electronic bills, and declining further elected or trial electronic bills all occur on an individual Biller basis. The Service does not include an option to prevent ever participating in the automatic trial electronic bill feature. When affirmatively electing to receive electronic bills from a particular Biller, you may be presented with terms from that Biller for your acceptance. We are not a party to such terms.
2. **Paper Copies of electronic bills.** If you start receiving electronic bills from a Biller, the Biller may stop sending you paper or other statements. The ability to receive a paper copy of your statement(s) is at the sole discretion of the Biller. Check with the individual Biller regarding your ability to obtain paper copies of electronic bills on a regular or as-requested basis.
3. **Sharing Information with Billers.** You authorize us to share identifying personal information about you (such as name, address, telephone number, Biller account number) with companies that you have identified as your Billers and which we have identified as offering electronic bills for purposes of matching your identity on the Service's records and the Biller's records to (a) activate your affirmative request for electronic bills, and/or (b) confirm your eligibility for "trial basis" electronic bills.
4. **Information held by the Biller.** We are unable to update or change your personal information such as, but not limited to, name, address, phone numbers and email addresses, that is held by the Biller. Any changes will require you to contact the Biller directly. Additionally it is your responsibility to maintain all usernames and passwords for all electronic Biller sites. You also agree not to use someone else's information to gain unauthorized access to another person's bill. We may, at the request of the Biller, provide to the Biller your email address, service address, or other data specifically requested by the Biller for purposes of the Biller matching your identity against its records or informing you about the Biller's services and/or bill information.
5. **Activation.** We will notify the Biller of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Biller to Biller and may take up to sixty (60) days, depending on the billing cycle of each Biller. While your electronic bill feature is being activated it is your responsibility to keep your accounts current. Each electronic Biller reserves the right to accept or deny your request to receive electronic bills.
6. **Authorization to obtain bill data.** You authorize us to obtain bill data from your Billers that you have requested to send you electronic bills, and from your Billers that wish to send you trial electronic bills. For some Billers, you will be asked to provide us with your user name and password for that Biller. By providing us with such information, you authorize us to use the information to obtain your bill data.
7. **Notification.** We will attempt to present all of your electronic bills promptly. In addition to notification within the Service, we may send an e-mail notification to the e-mail address listed for your account. It is your sole responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically logon to the Service and check on the delivery of new electronic bills. The time for notification may vary from Biller to Biller. You are responsible for ensuring timely payment of all bills.
8. **Cancellation of electronic bill notification.** The electronic Biller reserves the right to cancel the presentment of electronic bills at any time. You may cancel electronic bill presentment at any time. The timeframe for cancellation of your electronic bill presentment may vary from Biller to Biller. It may take up to sixty (60) days, depending on the billing cycle of each Biller. We will notify your electronic Biller(s) as to the change in status of your account and it is your sole responsibility to make arrangements for an alternative form of bill delivery. We will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.
9. **Non-Delivery of electronic bill(s).** You agree to hold us harmless should the Biller fail to deliver your statement(s). You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Biller directly.

10. Accuracy and dispute of electronic bill. We are not responsible for the accuracy of your electronic bill(s). We are only responsible for presenting the information we receive from the Biller. Any discrepancies or disputes regarding the accuracy of your electronic bill summary or detail must be directly addressed and resolved with the Biller by you.

This Agreement does not alter your liability or obligations that currently exist between you and your Billers.

10. Service Fees and Additional Charges. You are responsible for paying all fees associated with your use of the Service. Applicable fees will be disclosed in the user interface for, or elsewhere within, the Service or Site. Any applicable fees will be charged regardless of whether the Service was used, except for fees that are specifically use-based. Use-based fees for the Service will be charged against the Billing Account. There may also be charges for additional transactions and other optional services. You agree to pay such charges and authorize the Service to deduct the calculated amount from your designated Billing Account. Any financial fees associated with your standard deposit accounts will continue to apply. You are responsible for any and all telephone access fees and Internet service fees that may be assessed by your telephone and Internet service provider. Section 18 of the General Terms (Failed Or Returned Payment Instructions) applies if you do not pay our fees and charges for the Service, including without limitation if we debit the Billing Account for such fees, as described in this Section, and there are insufficient fees in the Billing Account.

11. Biller Limitation. The Service reserves the right to refuse to pay any Biller to whom you may direct a payment. As required by applicable law, the Service will notify you promptly if it decides to refuse to pay a Biller designated by you, as set forth below or an Exception Payment under this Agreement.

Popmoney® Payments Service Terms

Note that POPMONEY is a consumer product, not intended for business use.

1. **Description of Service.**

1. a. The term "Popmoney Terms" means these Popmoney Payments Service Additional Terms. "Popmoney" is a trademark of CashEdge Inc. or its Affiliates. The Popmoney Service (for purposes of these Popmoney Terms, and the General Terms as it applies to these Popmoney Terms, the "Service") enables you: (1) to initiate a Payment Instruction from an Eligible Transaction Account to an account at a U.S. financial institution; and/or (2) to receive a payment from another person into an Eligible Transaction Account, in U.S. dollars. Although the ACH Network is often used to execute Popmoney Service Payment Instructions for the Popmoney Service, other Payment Networks may be used to facilitate the execution and transmission of Payment Instructions. All payments must be made through the Site and are subject to the terms of this Agreement and applicable laws and regulations, in each case as in effect from time to time. Receipt of payments may be made through the Site and is subject to the terms of this Agreement and applicable laws and regulations, in each case as in effect from time to time. In some instances, receipt of payments may be made through www.popmoney.com (the "Popmoney Website") and if you choose to initiate or receive a payment at the Popmoney Website you acknowledge and agree that you shall be subject to the terms of other agreements, including, but not limited to, the "terms of use" for the Popmoney Website and applicable laws and regulations, in each case as in effect from time to time.
2. b. The Instant Payments feature within the Popmoney Service ("Popmoney Instant Payments") uses Payment Networks designed to transfer funds on the same day or sooner, if practicable, to debit or credit funds to the Eligible Transaction Account of the Receiver, as applicable. Popmoney Instant Payments is only available for Payment Instructions submitted by a Sender to a Receiver (and not via a Popmoney Request). Not all Payment Networks participate in Popmoney Instant Payments. Popmoney Instant Payments are not instantaneous. Payment delivery speed may vary based upon the funds availability policy of each financial institution and Payment Network availability.

2. **Payment Authorization and Payment Remittance.**

1. By providing us with names and telephone numbers, email addresses, and/or bank account information of Receivers to whom you wish to direct payments, you authorize us to follow the Payment Instructions that we receive through the Service. Once registered, you authorize us to credit your Eligible Transaction Account for payments remitted to you on behalf of a Sender without further approval from you.
2. When we receive a Payment Instruction from you, you authorize us to debit your Eligible Transaction Account for the amount of any such Payment Instruction plus any related fees in effect (and as disclosed on the Site) at the time you initiate the Payment Instruction, and to remit funds on your behalf. You acknowledge and agree that any applicable fees will be charged when we receive a Payment Instruction from you, regardless of whether the Payment Instruction is ultimately completed. You also authorize us to credit your Eligible Transaction Account for the receipt of payments, including but not limited to those payments returned to us from Receivers to whom you sent payment(s) and those payments that were cancelled and returned to you because the processing of the Payment Instruction could not be completed.
3. You acknowledge and agree that if your Payment Instructions identify an account by name and account number, the relevant financial institution may execute those Payment Instructions by reference to the account number only, even if such account number does not correspond to the account name. You further acknowledge and agree that financial institutions holding the account may choose to not investigate discrepancies between account names and account numbers. We have no responsibility to investigate discrepancies between account names and account numbers, outside of our obligations under the law to investigate errors, described above in the Online Banking Agreement. (Errors, Questions, and Complaints).
4. You agree that we will not be liable in any way for any payments that you may receive, regardless of whether you authorized the Sender to send them to you.
5. We will use reasonable efforts to complete all your Payment Instructions properly. However, we shall incur no liability if we are unable to complete any transaction because of the existence of any one or more of the following circumstances:
 1. If, through no fault of ours, the Eligible Transaction Account does not contain sufficient funds to complete the Payment Instruction or the Payment Instruction would exceed the credit limit of your overdraft account;

2. The Service is not working properly and you know or have been advised by us about the malfunction before you execute the Payment Instruction;
 3. The payment is refused as described in Section 5 of the Popmoney Terms below;
 4. You have not provided us with the correct information, including but not limited to the correct Payment Instructions or Eligible Transaction Account information, or the correct name and address or mobile phone number of the Receiver to whom you are initiating a Payment Instruction; and/or,
 5. Circumstances beyond our control (such as, but not limited to, fire, flood, network or system down time, issues with the financial institution, or interference from an outside force) prevent the proper execution of the Payment Instruction.
6. It is the responsibility of the Sender and the Receiver to ensure the accuracy of any information that they enter into the Service (including but not limited to the Payment Instructions and name, telephone number and/or email address for the Receiver to whom you are attempting to send a payment), and for informing us as soon as possible if they become aware that this information is inaccurate. We will make a reasonable effort to stop or recover a payment made to the wrong person or entity once informed, but we do not guarantee such stoppage or recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by the Sender or Receiver.
 7. **Popmoney Instant Payments:** We are not responsible for the performance, speed, or other acts or omissions of the Payment Networks. Notwithstanding anything to the contrary in the Agreement, Popmoney Instant Payments settlements are final except as set forth in the applicable Payment Network rules and recovery may not be possible; however, if applicable Payment Network rules allow for reversal of funds, we will attempt to recover such funds from the Receiver's Eligible Transaction Account. We shall not be obligated to comply with the Automated Clearinghouse (ACH) Rules in such recovery efforts or otherwise in connection with Popmoney Instant Payments. We are only responsible for delivery of the applicable Payment Instructions to the applicable Payment Network in the format required by the applicable Payment Network's specifications. We will choose the Payment Networks in which we will participate in our sole discretion.

3. **Initiation of Payment Instructions.** You may initiate (a) a one-time Payment Instruction to a Receiver for which processing shall be initiated immediately, (b) a one-time Payment Instruction to a Receiver for which processing shall be initiated at a later specified date up to one (1) year, and (c) a recurring series of Payment Instructions to a Receiver for which processing shall be initiated on the specified dates. Options (b) and (c) above are not available for Popmoney Instant Payments. Further details about each of these options can be found on the Site.

Payment Instructions initiated to Receivers are processed in two ways. You can provide all the required information about the Receiver, including his/her Eligible Transaction Account, necessary to complete a transfer of funds. Alternatively, you can provide contact information about the Receiver (including an email address and/or mobile telephone number) and the Popmoney Service may contact the Receiver and request that the Receiver (i) provide information so that we may validate the identity of the Receiver at the Popmoney Website and then (ii) provide Eligible Transaction Account information in order to complete the Payment Instruction (a "Two-Step Transfer"). If the Receiver maintains an Eligible Transaction Account with an institution that participates in or offers the Popmoney Service, the Receiver may access the Popmoney Service at his or her financial institution's website or mobile application to complete the Payment Instruction and receive the payment.

For Popmoney Instant Payments, you can initiate a Payment Instruction using (i) the Receiver's email address or mobile number, and the Popmoney Service will validate the Popmoney Instant Payments eligibility of the Receiver prior to transferring the funds; or (ii) the Receiver's debit card information, and the funds will be immediately deposited into the Receiver's checking or savings account affiliated with the debit card. Not all Payment Networks participate in Popmoney Instant Payments. Payment delivery speed may vary based upon the funds availability policy of each financial institution and Payment Network availability.

You understand and agree that when you initiate a Payment Instruction from an Eligible Transaction Account using the Popmoney Service, the processing of the Payment Instruction will begin and the debiting of your Eligible Transaction Account will occur as early as the day of such initiation. However, other than with respect to Popmoney Instant Payments, the payment funds will be transferred into the Receiver's Eligible Transaction Account no earlier than the next Business Day after you initiated the Payment Instruction. If you request a one-time

Payment Instruction to be initiated on a specified date or a recurring series of Payment Instruction to be initiated on specified dates, then the processing of the Payment Instruction will begin on the specified date and the debiting of your Eligible Transaction Account will occur as early as the specified date(s). However, the payment funds will be transferred into the Receiver's Eligible Transaction Account no earlier than the next Business Day following the specified date. In addition, in the case of all Two-Step Transfers, the deposit of the payment funds into the Receiver's Eligible Transaction Account (even if debited or withdrawn from your Eligible Transaction Account) may be delayed if the Receiver has not provided the Popmoney Service with certain required information such as his or her Eligible Transaction Account information. The Site may contain additional information regarding the delivery of a payment to an Eligible Transaction Account.

You acknowledge and agree that we will begin to process the requested transfer of funds once the Receiver has provided (or we otherwise obtain) all required information, and you hereby authorize and direct us to retain such funds until the earlier of such time as the Receiver has provided (or we otherwise obtain) all required information or ten (10) Business Days. You further acknowledge and agree that our receipt of money to be transmitted to a Receiver shall not be deemed to have occurred and our obligation to complete a Payment Instruction shall not begin until such time as the Receiver provides us with (or we otherwise obtain) all required information necessary to process the related Payment Instruction in accordance with this Agreement. Any cancellation of a Payment Instruction prior to the Receiver providing us with such information shall be subject to the provisions of Section 5 of the Popmoney Terms, below.

4. **Receiving Payments.** If another person wants to initiate a Payment Instruction (including in response to a Popmoney Request, if applicable) using the Popmoney Service to an Eligible Transaction Account you hold or, as applicable, if you as a Requestor want to initiate a Popmoney Request, he, she or you can do that from the Site or from an Eligible Transaction Account at a financial institution that participates in the Popmoney Service or at the Popmoney Website.

You understand and agree that there may be a delay between the time you are notified of the pending Payment Instruction and the deposit of the payment funds into your Eligible Transaction Account, and you may be required to take additional steps to facilitate the deposit of the payment of funds into your Eligible Transaction Account. You authorize the Sender, the financial institution which holds the Sender's Eligible Transaction Account and us (including through the Site) to send emails to you and text messages to your mobile phone in connection with the Sender's initiation of Payment Instructions to you, and, as a Receiver, you may also receive Popmoney Requests from others through the Service.

You acknowledge and agree that in the event that funds are transferred into your Eligible Transaction Account as a result of a Payment Instruction and it is determined that such transfer was improper because it was not authorized by the sender, because there were not sufficient funds in the sender's account, or for any other reason, then you hereby authorize us or our Service Provider to withdraw from your Eligible Transaction Account an amount equal to the amount of funds improperly transferred to you.

If applicable, if you as a Requestor initiate a Popmoney Request using the Service you acknowledge and agree that as disclosed on the Site (a) the applicable service fee will be deducted from payments received by you from a Sender(s), and (b) no service fee will be charged if you as the Requestor do not receive any payments from the individuals to whom the Popmoney Request is sent. Further details about the foregoing can be found on the Site. You acknowledge and agree that individuals to whom you send a Popmoney Request may not receive, or otherwise may reject or ignore, your Popmoney Request. We do not guarantee that you will receive any payments from individuals by initiating a Popmoney Request.

5. **Payment Cancellation, Stop Payment Requests and Refused Payments.** Sender may cancel the initiation of a Payment Instruction or stop a Payment Instruction at any time until the processing of the Payment Instruction into the Receiver's Eligible Transaction Account has begun. Popmoney Instant Payments Payment Instructions may not be cancelled as the Payment Instructions will be processed immediately. Our ability to stop a Payment Instruction or recover funds associated with an unauthorized Payment Instruction will depend on the manner in which the Payment Instruction was initiated, and whether the Payment Instruction to the Receiver's Eligible Transaction Account has begun processing. Although we will make a reasonable effort to accommodate a stop payment request and to recover funds associated with an unauthorized Payment Instruction, we will have no liability for failing to do so. We may also require you to present your stop payment request or request to recover funds in writing within fourteen (14) days after contacting customer care. If we charge you to stop the payment or recover funds, then the charge for each stop payment or fund recovery request will be the current charge as set out in our current fee schedule. Payments not claimed by a Receiver will be automatically cancelled ten (10) days after the processing of the payment

begins. When a Sender initiates a Payment Instruction, the Receiver is not required to accept the payment. You agree that you as a Sender will not hold us liable for any damages resulting from a Receiver's decision to accept or not to accept a Payment Instruction initiated or attempted through the Service. We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited, or denied payment to your Eligible Transaction Account or use other reasonable efforts to return such payment to you as permitted by law.

6. **Mobile Phone Users.** Your phone service provider is not the provider of the Service. Users of the Service will receive text messages relating to their Payment Instructions and other notices from time to time if a mobile phone number is provided. Data and messaging charges from your telecommunications provider may apply, and you are responsible for any such charges. In the event your enrolled mobile device is lost or stolen, you agree to update your enrollment information and make the appropriate changes to disable the use of such device. You understand that there are risks associated with using a mobile device, and that in the event of theft or loss, your confidential information could be compromised. If you have questions about mobile service, you may send a text message with the word "HELP" to this number: 767666. To stop receiving text messages on your mobile phone, text "STOP" to this number: 767666.
7. **Service Fees and Additional Charges.** You are responsible for paying all fees associated with your use of the Service. Applicable fees will be disclosed in the user interface for, or elsewhere within, the Service or Site. YOU FURTHER ACKNOWLEDGE AND AGREE THAT ANY APPLICABLE FEES WILL BE CHARGED REGARDLESS OF WHETHER THE PAYMENT INSTRUCTION IS COMPLETED, UNLESS THE FAILURE TO COMPLETE THE INSTRUCTION IS SOLELY DUE TO OUR FAULT, except for those fees that are specifically use-based, such as Popmoney Request, if applicable. There may be a charge for additional transactions and other optional services. You agree to pay such charges and authorize us to deduct the calculated amount from your designated Eligible Transaction Account for these amounts and any additional charges that may be incurred by you. Any financial fees associated with your standard deposit accounts (or Other Eligible Transaction Accounts) will continue to apply. You are responsible for any and all telephone access fees and Internet service fees that may be assessed by your telephone and Internet service provider. Section 18 of the General Terms (Failed Or Returned Payment Instructions) applies if you do not pay our fees and charges for the Service, including without limitation if we debit the Eligible Transaction Account for such fees, as described in this Section, and there are insufficient fees in the Eligible Transaction Account.
8. **Refused Payments.** We reserve the right to refuse to pay any Receiver. We will attempt to notify the Sender promptly if we decide to refuse to pay a Receiver designated by the Sender.
9. **Returned Payments.** In using the Service, you understand that Receivers may reject Payment Instructions or otherwise return payments. We will use reasonable efforts to complete Payment Instructions initiated through the Service.
10. **Definitions.**
 1. "Popmoney Request" means functionality that, if provided to you, allows a Requestor to request that another individual initiate a Payment Instruction to the Requestor through the Popmoney Service.
 2. "Receiver" is a person or business entity that is sent a Payment Instruction through the Service.
 3. "Requestor" is a person that requests an individual to initiate a Payment Instruction through the Popmoney Service.
 4. "Sender" is a person or business entity that sends a Payment Instruction through the Service.

- Review account balances, account details and transaction history
- Schedule one-time bill payments
- Make one-time funds transfers between Accounts
- Receive, compose and send secure messages to/from the Bank

You will not be able to access all of the functions/services that are accessible with a personal computer. Examples include, but are not limited:

- Edit or Create Payees
- View eStatements
- Update challenge questions

Receipt of account information through Mobile Banking may be delayed or impacted by factor(s) pertaining to your phone carrier or other parties outside of our control.

You are also responsible for any telephone charges incurred in connecting to your Internet Service Provider (ISP) that gives you access to the Internet.

We will not be liable for losses or damages caused in whole or in part by your actions or omissions that result in any disclosure of account information to third parties. Also, nothing about Mobile Banking creates any new or different liability for us beyond what is already applicable under your existing account agreements.

Stopping Pre-Authorized Payments

UNLESS OTHERWISE PROVIDED IN THIS AGREEMENT, YOU MAY NOT STOP PAYMENT OF ELECTRONIC FUND TRANSFERS. THEREFORE, YOU SHOULD NOT EMPLOY ELECTRONIC ACCESS FOR PURCHASES (SUCH AS DEBIT CARD AND ONLINE BANKING) UNLESS YOU ARE SATISFIED THAT YOU WILL NOT NEED TO STOP PAYMENT.

If you told us in advance to make a regular payment to a third party out of your account, you can stop any of these payments. Here's how: call to speak with Client Services, at (508) 820-4000, Monday through Friday from 7:30 AM to 5:30 PM and Saturday from 9:00 AM to 1:00 PM, write to MutualOne Bank, Attention Client Services, P.O. Box 9006, Framingham, MA 01701 or stop by one of our branches in time for us to receive your request at least three (3) business days or more before the payment is scheduled to be made. If you call, we will also require you to put the request in writing and get it to us within (14) days after you call. We will charge you our standard Checking account stop payment fee in effect at the time you stop payment. Refer to our separate fee schedule for the amount we will charge you for each stop payment order you give. The initiation by you of certain electronic fund transfers from your account will, except as otherwise provided in this agreement, effectively eliminate your ability to stop payment of the transfer. If you order us to stop one of these payments three (3) business days or more before the transfer is scheduled and we fail to do so, we will be liable for your losses or damages.

If these regular payments may vary in amount, the person you are going to pay will tell you, ten (10) days before each payment, when it will be made or how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside a certain limit. You may set these certain amounts or limits at any amount you desire.

The following highlighted sections do not apply to business accounts, as they relate only to consumer accounts and contain disclosures required by Federal and State Regulation

Any documentation provided to you which indicates that an electronic funds transfer was made shall be admissible as evidence of the transfer and shall constitute prima facie proof that the transfer was made.

The initiation by you of certain electronic funds transfers from your account will, except as otherwise provided in our Electronic Funds Transfer Disclosure, effectively eliminate your ability to stop payment of the transfer.

UNLESS OTHERWISE PROVIDED IN THIS AGREEMENT, YOU MAY NOT STOP PAYMENT OF ELECTRONIC FUND TRANSFERS. THEREFORE, YOU SHOULD NOT EMPLOY ELECTRONIC ACCESS FOR PURCHASES (SUCH AS DEBIT CARD AND ONLINE BANKING) UNLESS YOU ARE SATISFIED THAT YOU WILL NOT NEED TO STOP PAYMENT.

Chapter 167B of the Massachusetts General Laws was enacted to provide a means for financial institutions, businesses, and consumers to conduct their business relations more conveniently. Transferring funds electronically will supplement the use of checks, credit, and cash and will not replace these present methods of doing business. As a consumer, you should be aware of your rights if you choose to utilize electronic funds transfers.

Notification of Unauthorized Transaction or a Lost or Stolen Access Device

If you believe your Password has become known by an unauthorized person or that someone has transferred money or made payments without your permission, immediately call Client Services at (508) 820-4000, Monday through Friday from 7:30 AM to 5:30 PM and Saturday from 9:00 AM to 1:00 PM.

Liability for Failure to Make Online Transfers or Payments

If we do not send a Payment or make a Transfer on time or in the correct amount according to your instruction and in accordance with this Agreement and Disclosure, we will be liable for damages caused. However, there are some exceptions. We will not be liable, for instance, if:

- Any other specific exceptions stated in our agreement with you and listed below;

- Through no fault of ours, your account does not contain sufficient funds to make the payment or transfer;
- The equipment, ATM network, phone lines, or computer systems were not working properly or were temporarily unavailable;

Cyber Security

Fraudulent E-mails

The emails and texts you receive may look official, but they could be fake. Never click on a link or attachment or respond to an email or text with personal information — credit card numbers, social security numbers, or other banking details. Instead, contact the company directly or visit online by typing the company Web address into your Internet browser. MutualOne Bank will never ask you to share your personal information, including your user ID or online banking password via email or text.

If you suspect that you have received a fraudulent email that appears to be from MutualOne Bank, forward the message to us at clientservices@mutualone.com. If you responded to a fraudulent text or email or disclosed personal information, immediately go to another (ideally) computer/device and change your password. Then contact Client Services at (508) 820-4000.

Passwords

Create passwords that are easy to remember, but difficult for others to guess, and change them every few months. The best passwords are a minimum of eight characters, contain a mix of letters, numbers, and symbols, and use words that are not common. Never use the same password for banking as you do for other non-financial sites, such as social media or email. Be cautious about choosing security questions with answers that you know can be found easily on public websites or guessed.

What You Share Online

Personal information shared on social networking sites like Facebook, Twitter, and LinkedIn can be used by criminals to commit fraud. Never post key information, such as where you bank, how you invest your money, physical addresses, emails, cell phone numbers, account numbers, or passwords.

Guard Your Mobile Device

Your mobile phone contains valuable personal information. Secure it with a password and be sure to wipe it clean before trading it in. Only install apps from well-known stores like Google Play, Apple App Store, Windows Store, and Amazon. Be careful of scanning QR codes, as they may direct you to a fraudulent site. Set up and use remote find, lock, and erase functions like Find my iPhone or Android Device Manager.

Avoid Banking from Public Wi-Fi Hotspots

The Wi-Fi available at many public locations may not be secure. Be cautious about the sites you visit and the information you release.

Secure Your Computer

PCs, laptops, smart phones, tablets, and other web-enabled devices need the most current security software, Web browser, and operating system. Also, Microsoft, Apple, and other tech support companies will never call you to fix your computer. If you receive a call like this, report it to the Federal Trade Commission, www.ftc.gov or 1-888-382-1222. Consider using a dedicated computer for banking versus other day-to-day functions to lessen the chance of a computer infection leading to theft. When traveling, keep your computer/ devices under your control at all times. Do not leave equipment in the trunk of your car or unattended in public areas.

Extra Tips

How to Spot a Scam

Scams can come via email, text or phone. Visit www.ic3.gov or www.ftc.gov to report scams and be alert to these clues:

Does the offer seem too good to be true? Be suspicious of large cash prize winnings or offers of a large inheritance that involve money transfers. Brand new luxury vehicles cannot be purchased for \$15,000 under invoice cost.

Do you know the requester? Email and texts that appear to come from someone you know, such as your grandchild or boss, can be forged. Talk to your friends, family, and co-workers to confirm before sending money in response. Also, do business only via websites you know and trust.

Does the requester ask for personal information in exchange for money? No legitimate social media promotion or job opportunity requires people to hand over their bank cards, PIN numbers, or online banking credentials. If you provide this information for the promise of free money, you may be responsible for anything that happens, which can be much larger than the balance in your account. If someone calls you and you suspect a

scam, don't give out any information. Ask for a call-back number. If the caller won't leave one, tell them you are busy and will need to call them back.

Does the requester create a sense of urgency? Many scams try to scare you into doing something quickly by threatening negative consequences, such as missed business deals or lost job opportunities.

Does the offer appeal to your emotions? Fraudsters often blend in themes, such as tragic media events, online dating, endangered loved ones, and charities. They know that when your emotional state rises, often your attention to security goes down.

Some of these services may not be available at all terminals, or available in conjunction with all accounts. You may have chosen to limit access by electronic means to one or more of your accounts.

2. Electronic Check Conversion

You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to

- (a) Pay for purchases, or
- (b) Pay bills.

This is called an electronic check conversion and is a process in which your check is used as a source of information, for the check number, your account number, and the number that identifies your financial institution. The information is then used to make a one-time electronic payment from your account, an electronic fund transfer. The check itself is not the method of payment. It is important to remember that with this type of transaction, the transfer of funds may be immediate.

3. Limitations on Frequency of Transfers

You may have chosen to limit access by electronic means to one or more of your accounts.

- (a) You may make unlimited cash withdrawals from our terminals in a 24-hour period;
- (b) You can use our point-of-sale transfer service for unlimited transactions in a 24-hour period;
- (c) You can use the debit card feature for unlimited transactions in a 24-hour period;
- (d) There are no limits to the number of transfers you can make using our terminals;
- (e) There may be limits that apply to your card if you use your card outside of the United States of America.

4. Limitations on Dollar Amounts of Transfers

- (a) You may withdraw up to \$500.00 or your available balance (whichever is smaller) from ATMs in a 24-hour period unless you request and are approved for a higher amount.
- (b) You may purchase, using the Debit Card, up to \$1,000.00 of goods and/or services in a 24-hour period from places that accept the card unless you request and are approved for a higher limit.
- (c) At any time, you may limit the amount to be withdrawn to \$50.00 in a 24-hour period. To implement this limit you must give us written notice.
- (d) For security reasons, there are other limits on the transfers you can make using our terminals, authorized telephone transfer service, or other electronic transfer system. There may be other limits that apply to your card if you use your card outside the United States of America.

5. Limitations on Preauthorized Transfers

If your account is a statement savings or money market deposit account, you may not make more than 6 transfers per month to another account with us or to a third party by means of preauthorized or automatic transfer, or telephonic agreement, order or instruction, and no more than 6 such transfers may be made by check, draft, debit card, or similar order made by you and payable to third parties.

- (d) **Fees Imposed by Others**- When you use an ATM not owned or operated by us, you may be charged a fee by the ATM operator or any network used to complete the transfer and you may be charged a fee for a balance inquiry.

7. Confidentiality

We will disclose information to third parties about your account or the transfers you make:

- (a) Where it is necessary for completing transfers, or
- (b) In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant, or
- (c) In order to comply with a government agency or court orders, or
- (d) Where it is necessary for legal, collection, accounting or auditing purposes, or
- (e) If you give us written permission.

8. Documentation

- (a) **Preauthorized Credits**-If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, the person or company making the deposit will tell you every time they send us the money. You can call us during our business hours at the telephone number shown on the front of this disclosure to find out whether or not the deposit has been made.
- (b) **Periodic Statements**-You will get a monthly account statement, unless there are no transfers in a particular month. In any case, you will get the statement at least quarterly.
- (c) **Passbook Account Where the Only Possible Electronic Fund Transfers are Preauthorized Credits**-If you bring your passbook to us, we will record any electronic deposits that were made to your account since the last time you brought in your passbook.
- (d) **Terminal Transfers**-You can get a receipt at the time you make any transfer to or from your account using an electronic terminal such as an automated teller machine, cash-dispensing machine or point-of-sale terminal.

9. Preauthorized Payments

- (a) **Right to Stop Payment and Procedure for Doing So**-If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how: Call us at the telephone number listed on the front of this disclosure or write to us at the address shown on the front of this disclosure, in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after your call.
- (b) **Notice of Varying Amount**-If these regular payments may vary in amount, the person you are going to pay will tell you 10 days before each payment when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.
- (c) **Liability for Failure to Stop Payment of Preauthorized Transfer**-If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

10. Financial Institution's Liability

If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- (a) If, through no fault of ours, you do not have enough money in your account to make the transfer.
- (b) If the transfer would go over the credit limit on your overdraft line.
- (c) If the terminal or system was not properly working and you knew about the breakdown when you started the transfer.
- (d) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- (e) If the automated teller machine where you were making the transfer did not have enough cash.

- (f) If the funds are subject to legal process or other encumbrance restricting such transfer.
- (g) There may be other exceptions stated in our agreement with you.

The initiation by you of certain electronic fund transfers from your account will, except as otherwise provided in this agreement, effectively eliminate your ability to stop payment of the transfer.

UNLESS OTHERWISE PROVIDED IN THIS AGREEMENT, YOU (THE CONSUMER) MAY NOT STOP PAYMENT OF ELECTRONIC FUND TRANSFERS, THEREFORE YOU SHOULD NOT EMPLOY ELECTRONIC ACCESS FOR PURCHASES OR SERVICES UNLESS YOU ARE SATISFIED THAT YOU WILL NOT NEED TO STOP PAYMENT.

All of the terms set forth in the Initial Disclosure of Terms and Conditions of Electronic Fund Transfer Services are hereby made part of this Cardholder Agreement and shall govern the use of your card.

Any account which may be accessed by use of your card may also be governed by a separate set of rules and regulations which shall remain in effect with respect to such accounts, unless inconsistent with the agreements set forth in this Cardholder Agreement in which case the terms and conditions set forth herein shall control.

1. Use of Card

You may use your card to carry out the transactions described in the Disclosure Statement under the heading "Transfer Types and Limitation." We may agree with you in the future that other transactions can be carried out using your card and, in such event, we will notify you as to those transactions.

2. Limitations on Transfers

- (a) You may withdraw up to \$500.00 or your available balance (whichever is smaller) from ATMs in a 24-hour period unless you request and are approved for a higher amount.
- (b) You may purchase, using the Debit Card, up to \$1,000.00 of goods and/or services in a 24-hour period from places that accept the card unless you request and are approved for a higher limit.
- (c) At any time, you may limit the amount to be withdrawn to \$50.00 in a 24-hour period. To implement this limit you must give us written notice.

3. Processing of International Transactions

Purchases, cash withdrawals and cash advances made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by *MasterCard*® from a May 2019

range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate *MasterCard*[®] itself receives, or the government mandated rate in effect for the applicable central processing date. The exchange rate used on the processing date may differ from the rate that would have been used on the purchase date or cardholder statement posting date.

A fee of 1% of the transaction amount posted to your account will be imposed on all foreign transactions, including purchases, cash withdrawals, cash advances and credits to your account. A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the U.S., Puerto Rico or the U.S. Virgin Islands.

A devaluation of the U.S. dollar against the foreign currency in which the transaction was made will result in a higher than expected dollar amount charged to your account. This currency differential, along with any transaction fee for the foreign exchange could result in your account becoming overdrawn.

4. Charges for Use of Your Card

We have published a Fee Schedule, which sets forth all applicable charges which we can make in connection with the use of your card or any electronic fund transfer. Please refer to our most recently published Fee Schedule. We reserve the right to amend the Fee Schedule at any time and will give you notice if we do. You agree to pay all such charges which you have incurred and hereby authorize us to charge your deposit account(s) with the aggregate outstanding amount of such charges from time to time.

5. Joint Accounts

In the event that your deposit account(s) is held jointly with another person(s), each joint holder of said account shall be jointly and severally liable for the obligations incurred under this Cardholder Agreement and will be bound by this Cardholder Agreement. Without limiting the foregoing, each person named on the account may close the account and may agree to amend this cardholder Agreement and, in any such event, such action shall be binding upon each other person who is bound by this Cardholder Agreement.

6. Evidence of Transactions

In the event that we institute legal action against you in connection with this account, we may introduce into evidence a copy, microfilm or microfiche of any document evidencing transaction under this Cardholder Agreement and such copy, microfilm or microfiche shall be deemed as valid as the original document.

7. Notices

Any notice sent by us shall be effective when mailed to you at your last address on our records. To the extent allowed by law, notices from you to us must be in writing and shall be effective when received by us.

8. Default

In the event that you default in connection with any obligation owed to us, you agree to reimburse us for all costs of collection, including reasonable attorneys' fees.

9. Maintenance of Accounts

As long as this Cardholder Agreement is in effect, you agree to maintain at least one account for which your card can be used. If you close all of such accounts, this Cardholder Agreement will terminate and you must return your card to us immediately.

10. Ownership of Card

The card, which we issue to you, will remain our property and you may not transfer it to any other person. You agree to return the card to us immediately upon demand or upon termination of this Cardholder Agreement.

11. Authorization to Withdraw Funds from Your Account(s)

You hereby authorize us to withdraw funds from your account(s) to satisfy any transaction which you have made utilizing your card. Such authorization includes the right to charge your accounts for funds distributed to you and for charges which you have incurred pursuant to this Cardholder Agreement.

12. Amendments

We may amend any term in this Agreement or the Disclosure by sending you written notice of such amendment at least 30 days prior to the effective date of such amendment. To the extent permitted by law, we may amend any term set forth in this Agreement or Disclosure immediately to maintain or restore the security of your account or our electronic fund transfer system.

13. Governing Law

This Agreement shall be governed by and construed under the laws of the Commonwealth of Massachusetts.

Overdraft Privilege

It is MutualOne Bank's ("we, us, or our") policy to comply with applicable laws, rules and regulations, and to conduct business in accordance with strict safety and soundness standards. A non-sufficient funds (overdraft/negative balance) may result from:

- (A) The payment of checks, electronic funds transfers, or other withdrawal requests you initiate;
- (B) Payments authorized by you;
- (C) The return, unpaid, of items deposited by you;
- (D) Charging your account for our applicable service charges and fees;
- (E) The deposit of items to your account which, according to our Funds Availability Policy, are treated as not yet "available" or "finally paid".

We are not obligated to pay any item initiated for payment against your account if your account does not contain sufficient collected funds.

Rather than automatically returning, unpaid, all non-sufficient funds items that you may have, if your eligible account has been open for at least thirty (30) days and you maintain your account in good standing thereafter, **we will consider, without obligation on our part, approving your reasonable overdrafts up to your assigned Overdraft Privilege Limit, including our fees.** Maintaining your account in good standing includes at least:

- (A) Making deposits totaling \$400 or more in your account within the first thirty (30) day period,
- (B) You are not in default on any loan obligation to us,
- (C) We reserve the right to require you to pay your outstanding overdraft (negative) balance, including our fees, immediately or on demand, and
- (D) Your account is not the subject of any legal or administrative order or levy, such as bankruptcy or a tax lien.

This **discretionary** service will generally be limited to a \$750 overdraft (negative) balance for eligible personal checking account types, or a \$1,200 overdraft (negative) balance for eligible business checking account types.

Our normal fees and charges including, without limitation, our non-sufficient funds (NSF) or overdraft (OD) fees; currently up to \$29.00 per item, as set forth in our fee schedule, will be charged for each transaction initiated for payment from your checking account that does not have sufficient collected funds.

Typically, we will charge our normal NSF/OD fee whether we approve an overdraft item for payment or return it unpaid. **Our NSF/OD fees will be included in and count against your assigned Overdraft Privilege Limit** of \$750 or \$1,200. Whether your overdrafts will be paid or not is at our sole discretion and we reserve the right not to pay. For example, we typically do not pay overdrafts if your account is not in good standing as described above.

We may refuse to pay an overdraft for you at any time, even though your account is in good standing and even though we may have previously paid overdrafts for you. You will be notified by mail of any non-sufficient funds items paid or returned that you may have; however, we have no obligation to notify you before we pay or return any item. The amount of any overdrafts, including our fees that you owe us, shall be due and payable immediately. If there is an overdraft paid by us on an account with more than one (1) owner on the signature card, each owner, and agent if applicable, drawing/presenting the item creating the overdraft, shall be jointly and severally liable for such overdrafts including our fees.

■ **Optional Overdraft Protection Service:** We offer an additional overdraft protection service that links your MutualOne Bank Statement Savings Account to your MutualOne Bank Checking Account to cover an occasional overdraft item. If you apply and are approved for this optional service, you may save money on the total fees you pay us for overdraft protection services.

■ **Account Limitations:** This service is available only for eligible checking accounts that are maintained in good standing as defined above. We may, in our sole discretion, limit the number of your accounts eligible for Overdraft Privilege to one account per household and/or one account per taxpayer identification number.

■ **Eligible Account Types:** The account types that are eligible for Overdraft Privilege are: Direct Deposit Checking, No Minimum Balance Checking, Free Checking for Seniors, Interest Checking, Apex Checking, Free Checking, Advantage Interest Checking, Commercial Checking, Free Business Checking and Premier Business Checking accounts.

■ **Transactions That May Cause or Create Overdrafts Using Your Overdraft Privilege Limit:** NSF transactions initiated for payment against your checking account may be paid by us using your assigned Overdraft Privilege Limit, including our fees. Our NSF/OD fee may be imposed for paying, or not paying, overdrafts you create by checks, ACH, or in-person (teller) withdrawals. For all consumer accounts, ATM withdrawals and everyday debit card transactions require a customer to "Opt-In" to the service. Please contact a Customer Service Representative for more information about the Opt-In process for ATM and everyday debit card transactions.

■ **De minimus Transactions:** If your transaction creates an overdraft of \$5.00 or less, we will not charge a fee for the item. You will receive a notification of such transaction as described earlier in this document.

Notice Regarding Payment Order of Checks

The law permits us to pay items drawn on your account in any order ("items" means checks, orders and electronic transactions). To assist you in handling your account with us, we are providing you with information regarding how we process those items. The payment order can affect the

number of items overdrawn or returned unpaid and the amount of fees you may have to pay. To assist you in managing your account, we are providing the following information regarding how items are processed.

When processing checks or orders draw on your account, our policy is to pay them according to the check number, lowest to highest, on the day of presentment. For electronic transactions, our policy is to pay them in the order that they are received.

If you have questions concerning the **Overdraft Privilege Service**, please visit one of our offices.

■ **You May Always Opt-Out:** You may choose at any time to not participate in Overdraft Privilege by notifying one of our Customer Service Representatives who will explain what this (“Opt-Out”) means, and the potential consequences, for you.

■ **If You Need Help:** Of course, overdrafts should not be used to pay ordinary or routine expenses and you should not rely on overdrafts as a means to cover these expenses. If at any time you feel you need help with your financial obligations, please contact us at (508) 820-4000.

■ **Always a Discretionary Service:** Our Overdraft Privilege Service does not constitute an actual or implied agreement between you and us. Nor does it constitute an actual or implied obligation of or by us. Our Overdraft Privilege Service represents a purely discretionary courtesy or privilege that we may provide to you from time to time and which may be withdrawn or withheld by us at any time without prior notice or reason or cause.

YOU DESERVE CONSIDERATION...

Rather than automatically returning unpaid all insufficient funds items that you may have, we will consider, without obligation on our part, payment of your reasonable overdrafts created by checks, ACH, or in-person (teller) withdrawals up to your assigned Overdraft Privilege Limit.

You do not have to apply for this service and you do not need to sign any additional documents for the service. With some exceptions, most of our checking account types are eligible for this service. See “Eligible Account Types” in this brochure.

This section DOES NOT apply to business accounts, as this portion relates only to consumer accounts.

If you would like Overdraft Privilege Service expanded to include ATM withdrawals and everyday debit card transactions, you must Opt-In to this feature. A Customer Service Representative can provide information about how you can Opt-In for ATM and everyday debit card transactions.

If you do not use the Overdraft Privilege Service it costs you nothing. “Use” means you initiate insufficient funds transactions. If you do use the Overdraft Privilege Service you will be charged our customary fees set out in this brochure.

OVERDRAFT PRIVILEGE CAN MEAN

■ You may avoid high charges from merchants for returned checks.

■ You may avoid the embarrassment and inconvenience of denied purchases and dishonored checks.

■ Payment of your occasional and inadvertent overdrafts up to your assigned Overdraft Privilege Limit of \$750 or \$1,200 will normally be considered. These limits include our customary fees set out within this brochure. Our fees will be added to any outstanding overdrafts you may have and will be applied against your Overdraft Privilege limit.
